This information is subject of the disclosure requirements pursuant to section 5-12 of the Norwegian Securities Trading Act.

About HMH

HMH is a premier drilling solutions provider, which was formed as an independent company in October 2021 through the merger of Baker Hughes' (NYSE: BKR) Subsea Drilling Systems business and Akastor ASAs wholly owned subsidiary, MHWirth AS.

HMH combines integrated delivery capabilities, capital, renowned industry expertise and delivers the full range of offshore drilling equipment products and packages at scale. HMH aims to support the industry's transition toward more energy-efficient solutions, as well as deploying technologies and service solutions to make the sector more competitive through increased drilling efficiency. Moreover, the Company's service and technology portfolio will be utilized as a springboard for future growth, both within drilling services and when pursuing opportunities towards adjacent industries such as renewables and mining.
